

# SPECIFICATIONS AT A GLANCE

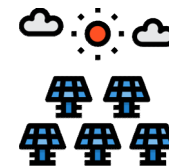

<b>USE CASE : Pre Sales Solution</b>	<b>WEB BASED SOLUTION</b>	 <b>TSL DESIGN STUDIO</b>	<b>USE CASE : Total Solar Design</b>	<b>ALL IN ONE SOFTWARE</b>
	Remote site analysis			Accurate 3D modeling
	Sales Quotation maker			Module layout planning
	3D view weblink			Auto shading analysis
	Financial analysis			Energy Simulation
	Unlimited Designs			CAD Export
				
<b>3D Modeling</b>	<b>Module Layout Planning</b>	<b>Shading Analysis</b>	<b>Energy Simulation</b>	<b>Financial Analysis</b>
RCC Roof	Automatic layout design	Irradiance heat map	Annual energy simulation	25 years financial savings
Metal/ Tin shed Roof	Drag and drop tables	Sun Simulation	Performance Ratio	Return on Investment
Cylindrical Object	Auto row spacing	Solar Access	Detailed loss analysis	Payback graph
Walkway and Trees	Flush, Ballast & Fixed tilt	Shading Report	Meteonorm included	Subsidy and AD benefit
